Product Description

Product Description:

Our Tomato Stir Juice is made from high-quality tomato pulp, which is carefully processed to extract the rich, flavorful tomato liquid. We use only the best ingredients and the latest technology to ensure that our Tomato Stir Juice is fresh, healthy, and delicious. One of the key features of our Tomato Stir Juice is its low-calorie content. With only 220 KJ per 100ml, it is an excellent choice for those who are watching their weight or looking for a healthier alternative to sugary drinks. Our Tomato Stir Juice is also low in sodium, with only 6mg per 100ml, making it a great option for those who are watching their salt intake. In addition to being low in calories and sodium, our Tomato Stir Juice is also a great source of carbohydrates, with 12.4g per 100ml. This makes it an excellent choice for athletes and active individuals who need quick energy to fuel their workouts. Our Tomato Stir Juice is also free from protein and fat, making it a great choice for those who are looking for a light and refreshing drink that won't weigh them down. Whether you are looking for a healthy and delicious way to hydrate after a workout, or just want to enjoy the taste of fresh, ripe tomatoes, our Tomato Stir Juice is the perfect choice. So why not try our Tomato Stir Juice today and experience the taste and health benefits of fresh, ripe tomatoes in a convenient and easy-to-drink form? Drinks with different contents can be customized according to customer needs, and 240ml-1L packaging is optional.

Applications:

One of the best things about ARKHUM Tomato Fruit Juice is that it is low in fat and contains no protein. This makes it an excellent choice for people who are trying to maintain a healthy and balanced diet. With 12.4g of carbohydrates per 100ml, ARKHUM Tomato Fruit Juice is a great source of energy that can help you power through your day. It also contains 6mg of sodium per 100ml, which is ideal for people who are watching their salt intake. ARKHUM Tomato Fruit Juice is perfect for a variety of occasions and scenarios. For example, it is a great choice for breakfast, as it can help you start your day off on the right foot. It is also an excellent option for lunch, as it can help you stay energized and focused throughout the afternoon. Additionally, ARKHUM Tomato Fruit Juice is a great choice for people who are on the go. Its convenient packaging and delicious taste make it the perfect choice for busy mornings or quick snacks throughout the day. Overall, if you are looking for a delicious and nutritious beverage that is perfect for any occasion, ARKHUM Tomato Fruit Juice is an excellent choice. With its unique blend of tomato liquid, pulp, and honey, it is sure to become a favorite in your household.

Customization:
